

Honor a Teacher with a Red Apple!

Are you looking for that perfect year-end gift for a teacher or staff member? The Wellesley Education Foundation's Red Apple Program is a meaningful way for parents to show teachers their appreciation for a job well done. Make a donation to the Red Apple Program and WEF will send the honoree a "thank you" card that acknowledges your gift to WEF in his/her name. Since 1984, WEF has enhanced, enriched, and supported excellence in our schools through our grants program. In the past two years, WEF donated over \$300,000 to support teachers and student enrichment in the areas of professional development, technology, Creative Arts and others. Look for information on the Red Apple Program being mailed to your home during the first week of June. Forms are also available on the website at: www.WellesleyEducationFoundation.org. Thank you for considering the Red Apple Program.
